COLA Update

YOU DID IT!

Board votes to provide COLA to classified employees!

On Friday, July 25 the Board of Trustees held a closed session meeting where the Board voted to provide all employees with an on-salary schedule increase equivalent to the state-funded cost-of-living adjustment, retroactive to July 1, 2013, and continuing each year thereafter until written agreement is reached otherwise.

CFCE is working with the District on the specific MOU language that will state:

“CFCE will receive state approved and state funded COLA for 2013/2014 and to include COLA in successor collective bargaining agreements with a provision in the same agreement that it continue upon expiration.”

The MOU will become effective upon execution, and is not tied to the completion of bargaining the contract.

THANK YOU to all the classified employees who stood in solidarity with CFCE! This could not have happened without your support!
